## Take the field or fill the stands!

Just make certain to be a part of the team when the AGC Generals sink the ASA Yellow Submarines. Would you like to play in the game? Great! Contact Sue at 410-321-7870. Space is limited to 20 players! Would you rather relax and watch? We have a fun-filled line-up for you and the whole family to enjoy. Face-painting, balloon artistry, Kids Zone games, silent auctions, basket bingo and even a homerun derby are but a few of the activities all of our guests can enjoy. You can even tour the field and play catch or run the bases when the game is not in progress! The concession stands will be open for you to purchase your favorite ballpark food and refreshments. Sponsorship opportunities are available. Would you like to treat your employees and friends to the event? You can make donations in advance of the event on behalf of friends and employees. Call 410-321-7870 for more information.

### Conditions of Admission:

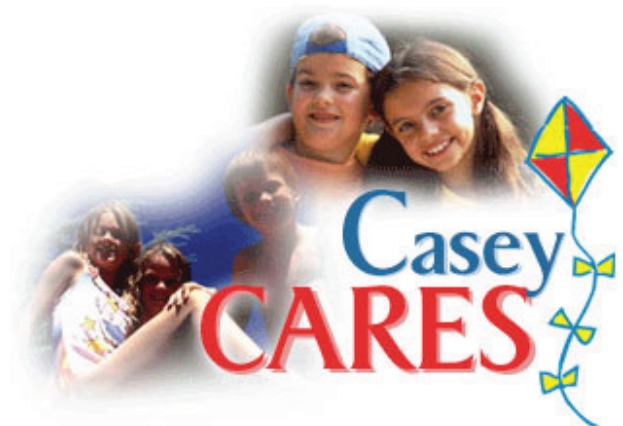

Admission is FREE! A donation of \$10 or more to the Casey Cares Foundation would be greatly appreciated! All guests agree to allow ASA, AGC, Casey Cares and their assignees the use of their likeness and/or testimonials for promotional purposes.

## Let's take a swing against childhood illness!

The Casey Cares Foundation provides on-going, uplifting programs for families with a critically ill child. Children on treatment for leukemia, brain tumors, cystic fibrosis, blood disorders, lymphoma, sarcoma and other childhood cancers qualify for our programs.

Individually designed for each family, Casey Cares programs allow them to focus on happy times together rather than the stress, worry and pain of the disease that has upended their lives.

**Families count on us when every day must count.**
